Dear General Cabell,

Through our common friend I got to understand that I was expected in Washington this spring to discuss certain aspects of our cooperation which had been raised lately. However, I had a very open talk with [redacted] who visited me here, and I fear that I should now only encroach upon your time and walk a ground already partly covered. So I shall postpone my journey, hoping to see you in the autumn. But I wished to say one word of thanks for the interest which you have shown for problems which for me were, and are, difficult ones.

25X1

Please give my very best regards to the Director.
